Healthcare & Appointment Support

Visual Communication Pack 23 | 12 printable cards

How to use these cards

- Print at Actual Size or Fit to Page. Cardstock is optional.
- Cut along the dotted borders. Laminate or add hook-and-loop dots if helpful.
- Begin with a few useful cards, model their meaning, and keep them easy to reach.
- Honor communication whenever safely possible and use the cards alongside speech, signs, or a communication device as appropriate.
